

How can you serve the people?

REPUBLICAN REPLY

Serve them? By not giving em a fuckin thing!
Get off your ass and go to work! Do you like
THAT service,all of you?

We'll serve you by fuckin you raw
till you get the right idea,
which is the RIGHT idea,get it?

DEMOCRATIC REPLY

By compiling reports. And by teaching
others to do the same. Someday,we'll all
be giving reports to each other. That

will be the starting point. Only then
we can begin serving the people. We think.
